

Maryland Newborn Screening Program Updates

Join us to discuss updates to the **Maryland Newborn Screening Program**, including a new electronic form for provider requests and lab slip updates, process for unsatisfactory specimens, and a review of disorders newly added to the panel.

FRIDAY, SEPTEMBER 27, 2024, 12 p.m.

Speakers

M. Christine Dorley, Ph.D.
*Division Chief, Newborn & Childhood Screening
Laboratories Administration
Maryland Department of Health*

Theresa Wavra, MSN, RN, APRN, PCNS-BC
*Clinical Director, Office of Children and Youth with Specific Health Care Needs
Maryland Department of Health*

We encourage providers to send a member of their staff if they cannot attend. We ask participants to submit questions in advance.

REGISTER HERE

Session will be recorded.
